

## **Simple Sermon Discussion Guide**

*(Adapted from Reality SF)*

Although we will have specialized practice guides crafted around specific sermons, the reality is we may not always have the capacity to create them every week. We want to offer this Simple Sunday Discussion Guide that can be used any week that we are unable to craft a specialized practice Guide.

Each time you meet, you can use any of these INTERCHANGEABLE QUESTIONS to connect, respond to the Sunday teaching, or reflect on what God is showing you?

**-Discussion:**

1. What is good, hard, and fun about life right now?
2. What is God teaching you these days?
3. How would you summarize the Sunday teaching in your own words?
4. What encouraged or challenged you in the teaching?
5. In light of this teaching, what do you need to believe (head), feel (heart), and do (hands)?
6. How do you believe God is prompting you to respond to this teaching?
7. How does this teaching lead you to believe, trust, and follow Jesus alone?
8. What do you need prayer for? (Have at least one person pray for each request.)
9. Prayer for our church, city, nation, and world.
